*****The first day of school is very busy! We need your help in keeping us organized. *****

1. Please help by removing some items from their plastic packaging (example scissors, glue in particular). If you'd like to label your child's belongings, feel free. You do not need to label singular pencils/markers.
2. Please place items in a large bag or Ziploc bag with their name written on the bag. This makes things easier for the first few days of school.

These school supplies are intended to last the students most of the year, however, you may be asked to replenish some items throughout the year such as Kleenex, whiteboard markers and glue. Before going shopping, please check your child's supplies from last year, as they may not need everything on the list.

Thank you! ☺
