| 1 | Cheryl welcomed Pam as the new chair. <br> Home and school have not been the same over the last few years with Covid. Introduced Albert Williams the principal. <br> Mr. Williams: His role in the group is working with everyone and helping students enhance their experience. Assist the $H \& S$ with guidelines that we are meant to follow. Make it so everyone feels included. <br> Tobi - question about SAC Committee. Is SAC working here at Bell Park and is there an opportunity to understand and possibly work with SAC? <br> Mr. Williams: SAC is here in Bell Park. We are all working toward similar goals, but it is not the same. There is certain guidelines SAC must follow and they are given a budget of $\$ 5,000$ annually to cover the cost of other things. <br> Cheryl: Prior to Covid a SAC member did always sit on the H\&S committee, but not now. <br> Tobi: Is there an opportunity to collaborate and possibly alight what we are doing with that they are doing IE if SAC brings a speaker in for the students is it possible for our group to be there and give something to the students at the same time? <br> Mr. Williams: possibly. <br> Tobi: Is there an actual mandate for H\&S? What is our mission? <br> Cheryl: We did have one. <br> ACTION ITEM: Cheryl will include the Bell Park H\&S Association doc for the next meeting. <br> Tobi: How are decisions made? <br> Cheryl: Voting process. Someone comes up with the idea, we discuss as a group and then everyone votes. <br> Tobi: How are we moving forward? <br> Cheryl: Each year we pick a project to fundraise for, pre-Covid it was identified the art room needed things and to be fixed up. We voted on that as a group and a list was put forward and the BINGO funds went to the art room. <br> Cheryl has the list of supplies and will give it to the group. <br> Tobi: Do we ever work with other H\&S groups from other schools? Joint things/ events? <br> Mr. Williams: Each is done as a separate entity. <br> Cheryl: Not done formally, but we could get ideas from other H\&S groups. | Cheryl |

| 3 | Albert, Angela, Cheryl, and Pam met and discussed 3-4 significant fundraisers for <br> the school year. <br> The Holiday Wreaths have been agreed on. <br> $\$ 1,000+$ is considered a major fundraiser. <br> Wreaths - usually make about $\$ 700-\$ 800$ on them. Previous years we bought <br> them for \$11 and sold them for $\$ 20$ without a bow and $\$ 22$ with bows. <br> This year we are buying them for $\$ 14$ each and will sell them for $\$ 25$ all with <br> Bows. <br> This counts as one of our big ones. <br> BINGO - on May 23rd is our biggest fundraiser. <br> PIES - this is an easy one and we make from \$1,000 - $\$ 1,500$ this is done in <br> March, so they arrive just before Easter. To discuss at next meeting if we still <br> want to do them. <br> Holiday Bazaar was discussed as well for November 23rd Pam and Albert to <br> confirm the date. Next meeting will be November 16m to finalize and complete <br> everything for November 23rt. <br> An ask from the Administration this year is a fundraiser for |

|  | Repaint the lines on the playgrounds. Stencil needs to be ordered from HRCE but <br> the rest we can do. <br> Albert: Basketball hoops from Toys are us, lightweight and easy to move around. <br> Seasonal Murals in the halls, all agreed this would give the school more colour. <br> Covering the doors is not permitted, but the kids could work on a mural that would <br> potentially cover the door, then one day all of them are displayed in the gym and <br> each class gets to see them. <br> Pam: Decorations for the holiday seasons. <br> Cheryl - There are many decorations in storage that can be used. <br> Tobi: Can we make sure not to just decorate for Christmas? There are other <br> cultures and beliefs. <br> Pam: Holiday Bazaar on November 23ri - all in favour, Pam to check with Albert to <br> about availability for the 23eo <br> The Bazaar: People would rent a table and come and set up the table to sell <br> whatever they have. Crafts and what not, a very popular idea and community |
